

Dear Mayor Richman and

Council,

We have noticed that a lot of

trees have been cut down at / for  
the French school building. We

are worried about not having  
enough shade, homes for  
animals + too much wind. Could

you help us get / plant some  
bigger trees for S.H.E.? We have  
also planted tree seeds

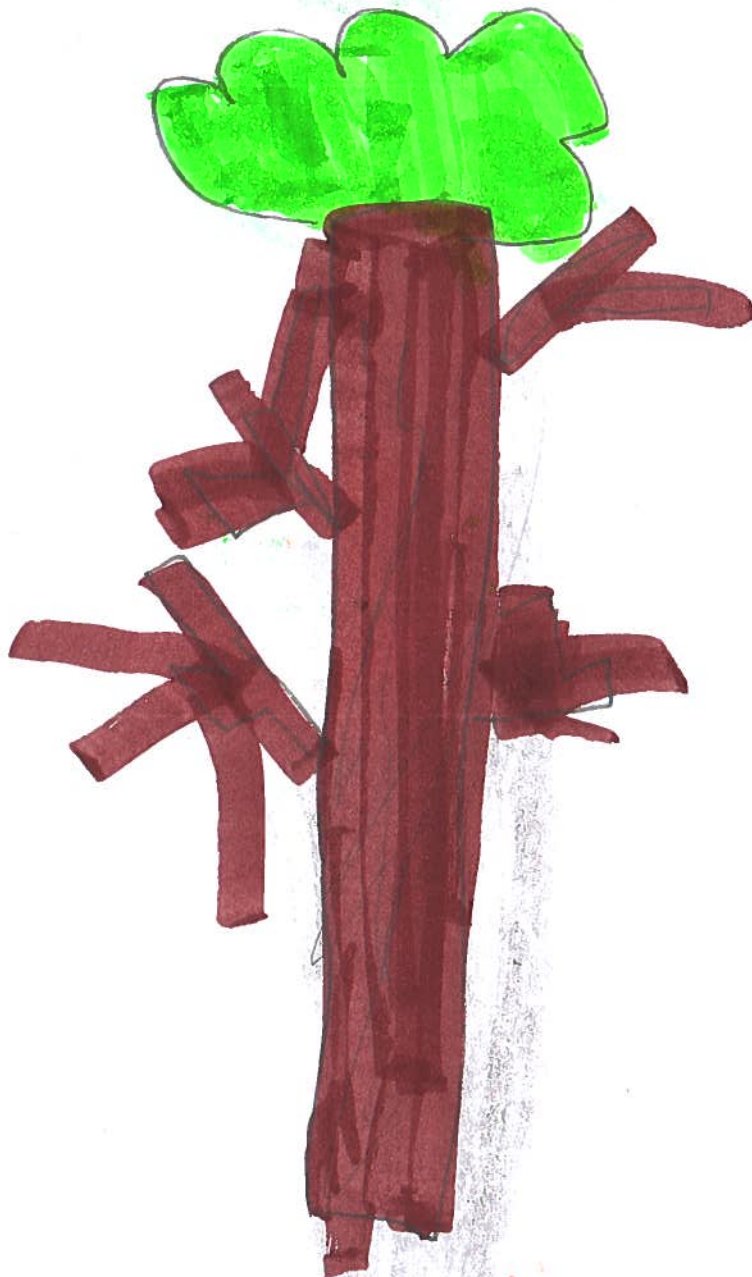

Sincerely,  
Mrs. C's + N's.  
Fay's Gr. 1/2  
Class.
